### For Your Information.

A new fast passenger train service will be inaugurated on the Rock Island road on Sunday, November 18th, at which time the winter schedule of Rock Island trains will go into effect. The new train will run daily between Kansas City and Chickasha.

The train leave Kansas City daily at 7:45 a. m. and pass through Topeka at 9:30 a. m., Wichita 3:10 p. m. and arrive at Chickasha at 10:30 o'clock in the evening. Returning it will leave Chickasha at 6:15 a. m., pass through Wichita at 1:30 p. m., Topeka at 7:10 p. m. and arrive at Kansas City at nine o'clock in the evening.

Connections can be made at Kansas City by this new train with the later evening trains of the Kansas City, and St. Louis lines, arriving at St. Louis early the next morning. Also connections with the Memphis night train for all points on that line; also with the Kansas City southern train for all points on that road, and will also connect with the Burlington out of Kansas City for St. Paul.

For some time it has been plain to the management that it was necessary to increase the Rock Island train service between Kansas City and points to the west and south, in order to take care of the local travel. Also that it would be beneficial to place a train in service which would make connections with later evening trains out of Kansas City.

Some of our east side exchanges who are rock-ribbed democrats of the worst give up the fight variety, turned to the only throne for consolation in their last Saturday's issue as follows:

That which is highly esteemed [exalted] among men is abomination in the sight of God—Luke, xvi, 15.—Wagoner Sayings.

It may be high time for the democracy to give some thought to things religious. Man's adversity is God's opportunity, and while there are yet a few of the followers of Jefferson and Jackson out of the fold they are paternally admonished to flee the wrath to come. The sermons tomorrow at the churches will be especially interesting to those who have walked through the vale and shadow of defeat, and the reality of it. There will come to the listener tomorrow those sweet words of peace that will fall on the heart of all alike. It is good to be there anyhow, for saint and sinner, and when that good old hymn "There is a calm" for those who weep" raises its sweet melody to the vaulted ceilings and "fretted alcoves," our hearts can sing in unison for we are going to have about four years of democratic calm.—Munsegee Times.

R. C. Neal, former president of the Waggoner National Bank at Vernon who went broke in cotton futures as reported in the Enterprise last week, is now, it is reported, a fugitive from justice in old Mexico. Neal wound up by forgery on a wholesale securing \$17,000 on a Summer and Stout note and Luther Greens for \$10,000. It is also reported that he forged Dan Waggoner's name for \$40,000. Neal was last seen in company with his wife, from there he sent Mrs. Neal to her home in Vernon, where she now is and he left for parts unknown.—Granite Enterprise.

Pettigrew is no sooner turned down in South Dakota than Tanner bobs up as a candidate for the United States Senate in Illinois. Political ointment entirely free

from flies is a mighty scarce article in this country.

The cornet player is apt to blow about his playing.

R. G. Dunn head of the mercantile firm of R. G. Dunn & Co., died in New York city yesterday of cirrhosis of the liver.

Most men are the architects of their own fortunes," says the Manayunk Philosopher, "but lots of us wouldn't take any medals as architects."

A POLITICAL FORECAST.—"All the banners on Market Street are for McKinley and Roosevelt," remarked a wily politician to his friend the other day. "But banners don't vote," replied the other. "No," agreed the politician, but they show which way the wind blows."—Exchange.

"At the close of another Presidential campaign it is my lot to congratulate you upon a second victory," is the message which Mr. Bryan has sent to the President. It was only frank and ingenious and nautical for Mr. Bryan to employ the word "lot" instead of "pleasure" or "privilege."

The New York Journal, W. J. Bryan's leading champion in the east, says:

"Through the haze of this defeat the democracy can see the victory that might have been. Beyond a doubt Mr. Bryan would have been triumphantly elected but for two things.

"The first was the intrusion of the silver issue. Free silver was dead, and so unpopular that even its corpse was enough to drag a man down to defeat.

"The second was the policy of cutting loose entirely from the Philippines. That was not in accord with the spirit of the American people."

A Little Rock Ark., dispatch, dated the 7th, says: Chief Engineer F. A. Molitor of the Choctaw, Oklahoma & Gulf Railroad announced today that since the Presidential election is over that company will probably put in course of instruction within the next sixty days about 150 miles of extension. He announces that the line from Hartsborne to Ardmore, I. T., will be built as soon as preliminary legal matters can be arranged. The distance will be 120 miles. An extension from Weatherford about fifty miles westward will be built, enlarging the company's interests in Western Oklahoma. This is the first authoritative statement made in the premises.

### Kentucky Democrat's Claim.

Louisville, Ky., Nov. 10.—Official returns from all save about a dozen counties in the state received by the Courier-Journal up to 11 o'clock tonight do not materially alter that paper's unofficial report of the election. Bryan's majority will be in the neighborhood of 8,000, while the plurality of Beckham, Democrat, for governor, will be about 5,000, the unofficial returns from every county in the state being 4,639.

### FOR SINGLE STATEHOOD.

Pauls Valley gave an overwhelming majority to single statehood and Bryan. The vote was as follows:

Single statehood.....245  
Separate statehood.....72  
Bryan .....245  
McKinley .....245  
Debs (Social Democratic).....1
